DESCRIPTION

Heritage, our Spring / Summer 2018 collection, celebrates Knot's 10th anniversary. 10 years inspiring families. 10 years working with the best that Portugal has to offer. This season we've chosen to revisit past collections and reinvent some of our most iconic pieces with new colors and patterns. We've also gone back to our roots. We dived into the sea, listened to fado records, ate sardines, walked through Lisbon streets, were delighted by ceramic and embroidery traditions and created this collection. This is our heritage and we want to share it with you.
